

A COMPLETE PACKAGE FOR THE GM E41 ECM (L5P/L5D)

As automotive technologies evolve, so do HP Tuners' services. Start tuning your 2017+ Chevrolet Silverado and GMC Sierra 2500/3500 6.6L L5P/L5D Duramax with an upgraded E41 ECM from HP Tuners (required for tuning).

Choose one of three options to get your L5P/L5D Duramax up and running with a custom tune and diagnostics support using an MPVI2 or newer generation interface and VCM Suite.

START TUNING YOUR L5P DURAMAX

After you've installed your ready-to-tune E41 ECM, you can license your truck with the purchase of (8) Universal Credits (sold separately) using an MPVI2 or newer generation interface. Important note: Any serviced or new ECM from HP Tuners is only compatible with HP Tuners calibration software. VCM Scanner, Dealer Diagnostic, and other diagnostic tools will continue to function normally.

WE WON'T LEAVE YOU HANGING

Get support from start to finish and beyond thanks to our Technical Support team. If you experience any problems throughout this process or while using our hardware and software products for your L5P/L5D vehicle, send us a ticket and we'll help you through it.

GM E41 ECM UPGRADE SERVICE

Want to use your original E41 ECM? This service upgrades your original E41 ECM for tuning using VCM Suite software. You send it in, we get it ready for tuning, and send it back. Expect a 2-3 (business) day turnaround time for this service (not including shipping).

Advantages of this service: No need for an IMMO relearn* No crank relearn* No need to perform the "Replace ECM" function in VCM Scanner* *As long as it returns to the same vehicle it came from.

**If you intend on sending an E41 ECM from a different truck, you'll want to go with the Exchange service instead.*

GM E41 ECM EXCHANGE SERVICE

Exchange your original ECM for one that is already upgraded for tuning! After we receive your original ECM, we'll ship you a professionally upgraded module that's

compatible with your vehicle in exchange. Expect a 2-3 (business) day turnaround time for this service (not including shipping).

**Requires core.*
